GREATER PORTLAND SOCCER DISTRICT

MANAGERS MEETING

24 July 2023

New Business:

- Summer Legacy Tournament currently has 20 teams. We could use a few more to maximize the scheduling.
 - o It does not appear that there will be an O30 Division for the SLT.
- Talk about a reconfiguration of seasons has begun. Managers please talk with your players and get feedback on what they think, and pass along any ideas. This might include expanding the Spring to 12 games, the Fall to 12 games, and abolishing the Winter Season. Discussion will need to commence by late December so voting may take place at the mid-year meeting.
- GPSD needs to be better in followup in regards to players who get injured during play. It is important that the referees report the injury on their match report, and that we implement some sort of policy in how these matters get handled.
- At the end of every season GPSD needs to send out an email to the teams with the following
 - o Summary of season
 - o Results
 - o Summary of some important cards/fines/penalties that were imposed.
- Premier Division has requested some changes. We have given them the chance to come back to us by midweek with these changes so that they may be implemented. Otherwise they will have to wait until the mid-year meeting.
- If any teams need a name change, please contact me @ driggs.mike@gmail.com and I can adjust it.

Close:

- **Meeting adjourned 8:35 pm.**
