MANAGERS MEETING

6 March 2023 (delayed due to snow storm)

President's Report:

- Nothing to Report.

Vice President's Report:

- Nothing to Report.

Assignor:

- Please utilize the Referee Evaluation form.
- Number of available Referees are still very low across the State. This will impact some games occasionally. If you know anyone who wants to become a Referee, please reach out!

Scheduler:

- Nothing to Report.

Secretary:

- Apologies for the recent disruption and hassle that the Demosphere platform that was pushed upon us has caused. We are working behind the scenes on an easier and permanent solution that gives us complete control over the services.
- Any roster, team or website issues you may have, or troubles you encounter, please notify Mike Driggs or Justin Phillips sooner than later so we can resolve them for you. The sooner and earlier, the better..

Treasurer:

- Fees have gone up this Spring so that we can recover the money we lost during COVID. Expect the fees to slowly increase as time goes on. We had paused any increases for a long time, and this did not put us in a stable position..

Judiciary:

- Only 3 Red Cards issued during this Winter.

Old Business:

- Summer Legacy Tournament
 - o Information on this will be posted VERY shortly. We are trying to get ahead of it this year. If you want to help, or know teams outside of our area that want to play, please get a hold of Mike Driggs.
- There was discussion about the O58/O59/O60 division and if it was truly voted to increase in age and become a TRUE O60 division or if O58 players were still allowed. The board will have a discussion on this and get back to the managers.
- Any changes to rules/bylaws/constitutions needs to be brought to the Executive Committee BEFORE the Managers Meeting, and in an organized fashion so that we may evaluate it, vote on it, and seek Managers approval for it. I, Mike Driggs, will work on getting a flowchart posted to help keep the process organized and consistent.
- Over 65 Division needs a replacement set of goals. I will forward over to the Board and have a discussion on this topic.
- A proposal was brought forth by the Premier managers in terms of how we structure the points for cards, and the points deduction that happens when you meet this number (15 points equals 3 point deduction and a \$200 fine).
 - o The changes would be:
 - The proposal is that the 15 Penalty Points is raised to 25 Penalty Points (1 Point for a Yellow Card, 2 Points for a Red Card).
 - The fine for reaching these 25 Penalty Points is raised and set at \$250.
 - The 3 point deduction from the teams standings is removed. There would be no deductions made.
 - o This was voted on, and approved by FC Swoosh, Portland Paradise, FC Love Jam, Rolling Rock Rough Riders, Backwuds and IPS. OFC were not available to vote.
 - o The GPSD Executive Committee approves this change, effective March 7, 2023.
