New Business:

- We need to talk with Premier Teams about an oversight when changing the allowable "penalty points" for those teams. We did not increase individual players penalty points (currently at 5) to reflect the overall teams increase in allowable penalty points (up to 25). This is something that we will have to discuss and present at the next managers meeting for approval. A recommendation is an increase to 7 penalty points per player (up from 5).
- Terry will meet with Deportivo Manager and Players on the Sunday Oct 15th match to discuss league policies and gauge their interest in staying within the GPSD league.

Close:

- Meeting adjourned 8:03 pm.
